Assistant Director for Collection and
Dissemination
Deputy Director
Management Survey of OCD.

11/4/47

Reference our conversation of 31 October 1947 in connection with requirements for new forms, etc. I feel that a solution to the entire problem should be based on the recent management survey of OCD and your comments thereon. I understand the draft of the survey was forwarded to you on or about 24 September 1947.

It is requested that the draft of the survey and your complete comments thereon be returned at the first practicable opportunity in order that I may study both sides of the issue in determining appropriate action.
